RoHS Material Declaration of Conformity

Directive: RoHS Recast Directive 2011/65/EU

Date: January 26, 2014

Applies to: All products except lead containing solders and cadmium containing brazing filler metals.

Compliance Statement: Harris Products Group states that all products, (except above noted alloy groups), conform to the limits for restricted materials, (Lead, Mercury, Hexavalent Chromium, Cadmium, PBB, and PBDE), as defined in the European Union Directive 2011/65/EU Annex II.

Component Qualification: Each Harris Products Group component is assessed in accordance with the Harris Products Group procedure for approval of material. Harris Products Group confirms conformance by using supplier material declarations and, (or), product chemical analysis.
