FIGUERES, 30-11-2008

REACH – The European Chemicals Regulation (Directive EC N° 1907/2006)

Dear Madam or Sir,

The new EU Chemical Regulation REACH (Abbreviation of **R**egistration, **E**valuation, and **A**uthorization of **C**hemical) replaces other EU rules about chemicals. All chemical substances (irrespective of hazardousness) produced in the EU or imported into the EU in quantities of over 1 ton per producer or importer per year must be registered. If a chemical substance has not been pre-registered with “the European Chemicals Agency” by December 1, 2008, it is not permitted to market or sell the chemical substance or products containing the chemical substance inside the EU. The registration of the substance has to be completed before it is permitted to market the substance again.

Harris Euro, S.L.U. have been registered with nr. ECHA-f42c17d5-36e4-4285-9554-1dca992d7f0b and submitted the product: STAY-SILV WHITE PASTE FLUX, 1LB-JAR with nr. CP470701-34 last 20.11.08 with reference nr. 05-2117093356-37-000 and substance name: Reaction mass of boric acid and disodium tetraborate, anhydrous and potassium hydrogendifluoride. This substance have pre-registered with:

EC number	CAS number	Chemical name
233-139-2	10043-35-3	boric acid
215-540-4	1330-43-4	disodium tetraborate, anhydrous
232-156-2	7789-29-9	potassium hydrogendifluoride

And the reaction mass of copper, phosphorus, silver and tin submitted with nr. JR649015-23 last 28.11.08 with reference nr. 05-2118502148-50-000:

EC number	CAS number	Chemical name
231-159-6	7440-50-8	Copper
231-768-7	7723-14-0	Phosphorus
231-131-3	7440-22-4	Silver
231-141-8	7440-31-5	Tin

These pre-registrations covers the proposed applications of Harris Euro, S.L.U. The products will be imported into EU by the undersigned company.

HARRIS PRODUCTS GROUP
